

Appl. No. 10/727,755
Prelim. Amdt. Dated 07/26/2004

Amendments to the Specification:

Please replace the paragraph that begins on page 18, line 21, with the following paragraph:

While certain preferred embodiments of the present invention have been disclosed and described herein, it will be understood by those skilled in the art that various changes in form and detail may be made therein without departing from the spirit and scope of the invention. Similarly, the various aspects of the present invention may be advantageously practiced by incorporating all features or various sub-combinations of features ~~in any specific LD/EAM design.~~
